Thread Pitch Diameters:

-1.3 to 1.3 millimeters stud

Inside Diameter:

21.0 millimeters

Step Diameter:

21.0 millimeters

Step Length:

13.0 millimeters

Width:

51.0 millimeters

Shaft Accommodation Style:

Round

Outside Diameter:

51.0 millimeters

Length:

45.0 millimeters

Attachment Method:

Screw on

Knob Portion Diameter:

51.0 millimeters

Overall Thickness:

12.0 millimeters

End Application:

Stryker

Stud Length:

45.0 millimeters

Thread Size:

8.0 millimeters stud

Product Name:

Four-arm knob

Color:

Black and black or gray or red or yellow

Material:

Aluminum and steel

Style Designator:

Cross

Thread Series Designator:

M stud

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A530m0
