Inside Diameter:

0.715 inches

End Style:

Spring end, squared and ground both ends

Spring Free Length:

1.680 inches

Coil Quantity:

7

Coil Helix Direction:

Right-hand

Spring Free Outside Diameter:

0.870 inches

Material:

Nickel alloy x-750

Material Specification:

Ams 5688 assn standard single material response

Surface Treatment:

Passivate

Style Designator:

Cylindrical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A02900
