**Inside Diameter:**

0.465 inches

**End Style:**

Short hook, end

**Spring Free Length:**

0.380 inches

**Coil Quantity:**

3

**Coil Helix Direction:**

Left-hand

**Spring Free Outside Diameter:**

0.625 inches

**End Angular Relationship:**

Ends parallel one to other

**End Length:**

0.200 inches both ends

**Special Features:**

Per engineering change order 90c1179, this item is opposite of nsn 5360-00-014-3402; this item is left-hand coil spring for right-hand side of aircraft

**Material:**

Steel

**Material Specification:**

Ams5673 assn standard all material responses

**Style Designator:**

Single torsion left hand

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A02900
