End Style:

One hook end

Coil Helix Direction:

Right-hand or left-hand

End Angular Relationship:

Ends angled one to other

End Length:

0.600 inches both ends

Material:

Steel comp 631

Material Specification:

Ams 5673, comp 17-7ph assn standard single material response

Style Designator:

Single torsion left hand

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A02900
