End Style:

Spring end, squared and ground both ends

Spring Free Length:

0.255 inches

Coil Quantity:

5

Coil Helix Direction:

Right-hand or left-hand

Spring Deflection Rate:

4.200 pounds per inch

Material:

Steel comp 631

Material Specification:

Ams 5673, cond c, type 17-7ph assn standard single material response

Style Designator:

Cylindrical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A02900
