Inside Diameter:

0.5321 inches

End Style:

Spring end, squared and ground both ends

Spring Free Length:

1.160 inches

Coil Quantity:

7

Spring Solid Length:

0.511 inches

Coil Helix Direction:

Left-hand

Material:

Steel

Material Specification:

N, 22-w-11 mfr ref single material response

Surface Treatment:

Zinc and chromate

Surface Treatment Specification:

Qq-z-325, type 2, class 2 federal specification single treatment response

Style Designator:

Cylindrical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A02900
