Inside Diameter:

1.025 inches

End Style:

Spring end, squared and ground both ends

Spring Free Length:

3.415 inches

Coil Quantity:

7-1/2

Spring Solid Length:

2.656 inches

Coil Helix Direction:

Right-hand

Spring Free Outside Diameter:

Between 1.730 inches and 1.750 inches

Material Specification:

Jan-s-1160, grade 2, type a military specification all material responses

Style Designator:

Cylindrical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A02900

Mil-std (military Standard):

spec.
