Inside Diameter:

5.875 inches

End Style:

Spring end, squared and ground both ends

Spring Free Length:

40.375 inches

Coil Quantity:

22

Coil Helix Direction:

Right-hand

Spring Free Outside Diameter:

6.125 inches

Material:

Steel

Material Specification:

Sae 1360 assn standard single material response

Style Designator:

Cylindrical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A02900
