Inside Diameter:

Between 0.830 inches and 0.870 inches

End Style:

Spring end, squared and ground both ends

Spring Free Length:

1.700 inches

Coil Helix Direction:

Right-hand

Spring Free Outside Diameter:

Between 1.030 inches and 1.070 inches

Material:

Steel uns k08500

Material Specification:

Qq-w-470 federal specification single material response

Style Designator:

Cylindrical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A02900
