Inside Diameter:

0.660 inches

End Style:

Straight offset

Spring Free Length:

0.072 inches

Coil Quantity:

1-1/2

Coil Helix Direction:

Right-hand or left-hand

End Angular Relationship:

Ends angled one to other

Material:

Steel uns k08500

Material Specification:

Qq-w-470 federal specification all material responses

Style Designator:

Single torsion left hand

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A02900
