Inside Diameter:

0.5435 inches

End Style:

Spring end, squared and ground both ends

Spring Free Length:

1.063 inches

Coil Quantity:

6

Coil Helix Direction:

Right-hand

Spring Free Outside Diameter:

0.688 inches

Material:

Stainless steel

Material Specification:

Qq-s-763, class 1a federal specification single material response

Style Designator:

Cylindrical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A02900
