Inside Diameter:

0.500 inches

End Style:

Spring end, squared both ends

Spring Free Length:

0.516 inches

Coil Quantity:

4

Coil Helix Direction:

Right-hand

Spring Free Outside Diameter:

3.141 inches

Material:

Steel

Material Specification:

Aq-w-465, class b federal specification single material response

Surface Treatment:

Zinc

Style Designator:

Tapered

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A02900
