Inside Diameter:

Between 0.550 inches and 0.590 inches

End Style:

Spring end, squared and ground both ends

Spring Free Length:

2.700 inches

Coil Quantity:

12-1/2

Coil Helix Direction:

Right-hand

Spring Free Outside Diameter:

Between 0.730 inches and 0.770 inches

Material:

Steel uns k08500

Material Specification:

Qq-w-470 federal specification single material response

Style Designator:

Cylindrical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A02900
