Overall Length:

0.860 inches

Overall Height:

0.139 inches

Material Hardness Rating:

Between 38.0 rockwell c and 42.0 rockwell c

Special Features:

Hole centrally spaced; 0.152 in. Deep cut-out both ends

Material:

Copper alloy 172

Material Specification:

Qq-c-533 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A02900
