Inside Diameter:

0.560 inches

End Style:

Spring end, squared and ground both ends

Spring Free Length:

5.875 inches

Coil Quantity:

27

Spring Solid Length:

2.812 inches

Spring Solid Outside Diameter:

0.810 inches

Coil Helix Direction:

Right-hand or left-hand

Material:

Steel comp 9260

Material Specification:

Qq-s-624 federal specification single material response

Style Designator:

Cylindrical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A02900
