Inside Diameter:

1.750 inches

End Style:

Spring end, squared and ground both ends

Spring Free Length:

31.400 inches

Coil Quantity:

35-1/2

Spring Solid Length:

14.500 inches

Spring Solid Outside Diameter:

2.750 inches

Coil Helix Direction:

Right-hand

Spring Free Outside Diameter:

2.562 inches

Material:

Steel comp 6150 or steel comp 9260

Material Specification:

Gqq-s-624-canceled military specification 1st material response

Surface Treatment:

Phosphate

Style Designator:

Cylindrical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A02900

Mil-std (military Standard):

spec.
