Inside Diameter:

0.2268 inches

End Style:

Spring end, squared and ground both ends

Spring Free Length:

0.500 inches

Coil Helix Direction:

Right-hand

Spring Free Outside Diameter:

Between 0.281 inches and 0.297 inches

Material:

Steel

Material Specification:

Mil-s-6101 military specification single material response

Style Designator:

Cylindrical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A02900

Mil-std (military Standard):

Mil-s-6101 spec.
