Inside Diameter:

4.148 inches

End Style:

Spring end, squared and ground both ends

Spring Free Length:

6.500 inches

Coil Quantity:

5-1/2

Spring Solid Length:

3.125 inches

Spring Solid Outside Diameter:

5.352 inches

Coil Helix Direction:

Right-hand

Spring Free Outside Diameter:

5.273 inches

Material:

Steel

Material Specification:

Jan-s-1160, grade 2-canceled military specification single material response

Surface Treatment:

Cadmium

Style Designator:

Cylindrical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A02900

Mil-std (military Standard):

spec.
