Inside Diameter:

0.125 inches

End Style:

Straight angular end

Spring Free Length:

0.500 inches

Coil Quantity:

7

Coil Helix Direction:

Left-hand

End Angular Relationship:

Ends angled one to other

Material:

Steel

Material Specification:

Mil-w-6101 military specification single material response

Surface Treatment:

Cadmium

Style Designator:

Single torsion left hand

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A02900

Mil-std (military Standard):

Mil-w-6101 spec.
