Inside Diameter:

0.450 inches

End Style:

Spring end, squared and ground both ends

Spring Free Length:

1.479 inches

Coil Quantity:

7

Coil Helix Direction:

Left-hand

Spring Free Outside Diameter:

0.730 inches

Material:

Steel

Material Specification:

Qq-n-281, class a, spring temper federal specification single material response

Style Designator:

Cylindrical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A02900
