Inside Diameter:

1.028 inches

End Style:

Spring end, squared and ground both ends

Spring Free Length:

1.630 inches

Coil Quantity:

5

Spring Solid Length:

0.855 inches

Spring Solid Outside Diameter:

1.357 inches

Coil Helix Direction:

Right-hand

Spring Free Outside Diameter:

Between 1.345 inches and 1.359 inches

Material:

Steel

Material Specification:

Hs178, united aircraft corporation mfr ref single material response

Style Designator:

Cylindrical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A02900
