Inside Diameter:

2.130 inches

End Style:

Straight offset both ends

Spring Free Length:

0.120 inches

Coil Quantity:

1

Coil Helix Direction:

Left-hand

Spring Free Outside Diameter:

2.370 inches

End Angular Relationship:

Ends parallel one to other

End Length:

0.188 inches both ends

Special Features:

Coil helix other direction rh

Material:

Steel uns k08500

Material Specification:

Qq-w-470 federal specification single material response

Style Designator:

Single torsion left hand

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A02900
