Inside Diameter:

0.194 inches

End Style:

Spring end, squared both ends

Spring Free Length:

1.625 inches

Coil Quantity:

30

Spring Solid Outside Diameter:

0.222 inches

Coil Helix Direction:

Right-hand

Spring Free Outside Diameter:

0.222 inches

Material:

Steel

Material Specification:

Qq-s-763, cond c federal specification single material response

Surface Treatment:

Passivate

Style Designator:

Cylindrical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A02900
