**End Application:**

Computer-indicator group type an/asa-27

**General Description:**

Material corrosion resistant steel wire per qq-w-423; condition 302; 0.022 in. Dia; condition b spg temp; finish passivate treatments per 893411; 0.250 in. Lg; 0.067 in. Dia

**Fsc Application Data:**

Miscellaneous communication equipment

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No
