Inside Diameter:

0.562 inches

End Style:

Offset half loop, right end second end

Spring Free Length:

0.320 inches

Coil Quantity:

3

Coil Helix Direction:

Right-hand

Spring Free Outside Diameter:

0.640 inches

Hook Radius:

0.069 inches first end

End Length:

1.000 inches second end

Material:

Steel uns k08500

Material Specification:

Qq-w-470 federal specification single material response

Style Designator:

Single torsion left hand

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A02900
