**End Style:**

Hook both ends

**Material Hardness Rating:**

Between 36.0 rockwell c and 42.0 rockwell c

**Features Provided:**

Drilled for attaching bracket

**Material:**

Copper alloy 170 or copper alloy 172

**Material Specification:**

Qq-c-533 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A02900
