End Style:
Hook both ends
Material Hardness Rating:
Between 36.0 rockwell c and 42.0 rockwell c
Features Provided:
Drilled for attaching bracket
Material:
Copper alloy 170 or copper alloy 172
Material Specification:
Qq-c-533 federal specification single material response
Shelf Life:
N/a
Unit Of Measure:
<del></del>
Demilitarization:
No
Fiig:
A02900
