Inside Diameter:

0.112 inches

End Style:

Straight bend end (left) both ends

Coil Quantity:

15

Coil Helix Direction:

Right-hand or left-hand

End Length From First Bend To Second Bend Or End:

0.500 inches both ends

Material:

Steel uns k08500

Material Specification:

Qq-w-470 federal specification single material response

Style Designator:

Single torsion right hand

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A02900
