End Style:

One reduced end both ends

Coil Quantity:

63

Spring Free Outside Diameter:

0.104 inches

Special Features:

Coil quantity: 63

Material:

Steel comp 631

Material Specification:

Ams 5673 cond c type 17-7ph assn standard single material response

Surface Treatment:

Passivate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A02900
