Special Features:

1 corrosion resistant steel type 17-7ph cond c mil-s-25043, heat treat to ch900 cond mil-s-25043, length 0.200, one hole diameter 0.100, each end curved diameter 0.150, height of each curved end 0.260, height of straight section in middle 0.210, thickness 0.008

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A02900
