End Style:

E4 spring end, squared and ground both ends

Coil Quantity:

13

Coil Helix Direction:

Right-hand

Material:

Stainless steel

Material Specification:

Gm 186m, general motors corp, allison div mfr ref single material response

Style Designator:

Cylindrical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A02900
