Overall Length:

0.654 inches

Special Features:

Spring has stock diameter of 0.034 in.; two loops 0.310 in. Center to center; 0.155 radius two places.

Material:

Steel uns k08500

Material Specification:

Qq-w-470 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A02900
