End Style:

E4 spring end, squared and ground both ends

Spring Free Length:

1.110 inches

Coil Quantity:

15

Spring Solid Length:

0.630 inches

Coil Helix Direction:

Right-hand

Spring Free Outside Diameter:

0.270 inches

Material:

Stainless steel

Material Specification:

Gm 186m, general motors corp, allison div mfr ref single material response

Style Designator:

Cylindrical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A02900
