End Application:

Howitzer, medium, self propelled, abf499

Coil Helix Direction:

Right-hand

Special Features:

Wire diameter .050, pitch diameter .29, rate 90 lbs per inch

Material:

Steel uns k08500

Material Specification:

Qq-w-470 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A02900
