End Style:

E2 spring end, squared

End Application:

Spring, self-sealing quick disconnect coupling half, 3200 series, model 3301-6

Coil Helix Direction:

Left-hand

Special Features:

Stock shape: round; reference data: aeb65/mil-c-25427/ms24333a6; rod diameter over which spring works: 0.375 in.

Material:

Steel comp 304

Material Specification:

Qq-w-423, comp 304 federal specification single material response

Style Designator:

Cylindrical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A02900
