**End Application:**

Used on sentry f22 aircraft

**Product Name:**

Spring, trust lever, control stand assembly

**Special Features:**

4 holes and u shaped

**Material:**

Steel comp 1095

**Material Specification:**

Mil-s-7947, cond 3 military specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A02900

**Mil-std (military Standard):**

Mil-s-7947 spec.
