Overall Length:

0.500 inches

Overall Height:

1.400 inches

Material Hardness Rating:

50.0 rockwell c

Special Features:

Cold rolled, steel strip, spring quality uns g10950 annealed cond per astm a682; heat treat per mil-h-6875; protective fin.: electroless nickel plated, class 2, grade b per mil-c-26074, followed by hydrogen embrittlement relief

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A02900
