End Style:

E4 spring end, squared and ground both ends

Coil Helix Direction:

Right-hand

Material:

Steel

Material Specification:

Vs1-8-13, sperry rand corporation mfr ref single material response

Style Designator:

Cylindrical

Specification Data:

62983-297060 professional/industrial association specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A02900
