End Application:

Pacer special

Special Features:

Wire thickness 0.040 inch

Material:

Steel comp 302

Material Specification:

Qq-w-423 form ii, comp 302, cond b federal specification single material response

Supplementary Features:

Manufacturers name: spring, handle detente

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A02900
