**End Application:**

Pacer special

**Special Features:**

Wire thickness 0.040 inch

**Material:**

Steel comp 302

**Material Specification:**

Qq-w-423 form ii, comp 302, cond b federal specification single material response

**Supplementary Features:**

Manufacturers name: spring, handle detente

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A02900
