Inside Diameter:

1.378 inches

End Style:

Right hand helix

Stock Diameter:

0.156 inches

Coil Helix Direction:

Right-hand

Spring Free Outside Diameter:

1.875 inches

End Length From Second Bend To Third Bend Or End:

0.312 inches

Material:

Steel uns k08500

Material Specification:

Qq-w-470 federal specification single material response

Style Designator:

Single torsion right hand

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A02900
