End Style:

Straight offset first end

End Application:

F-15s

Special Features:

Manufacturer's suggested name-spring, helical

Material:

Steel comp 631

Material Specification:

Ams 5673 assn standard single material response

Surface Treatment:

Passivate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A02900
