End Application:

2520-01-338-2703

Spring Free Length:

2.000 inches

Coil Quantity:

1111.3

Coil Helix Direction:

Right-hand

Spring Deflection Rate:

1.750 pounds per inch

Material:

Steel

Material Specification:

D0d-std-001000 federal specification all material responses and ansiy14sm 1982 assn standard all material responses

Style Designator:

Cylindrical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A02900
