End Style:

E1 spring end, ground both ends

End Application:

Alco 251 marine diesel engine series

Coil Quantity:

8

Coil Helix Direction:

Left-hand

Special Features:

Installed on the bryce fuel injection pump on the 251 marine diesel engine

Style Designator:

Cylindrical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A02900
