End Style:

Short twisted hook both ends

Stock Diameter:

0.100 inches

Spring Free Length:

5.500 inches

Coil Quantity:

40

Load Rating:

50.96 pounds

Material:

Steel uns k08500

Material Specification:

Qq-w-470 federal specification single material response

Style Designator:

Cylindrical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A02900
