Overall Length:

1.255 inches

Overall Height:

0.750 inches

End Application:

1.5" 3 way ball valve r/n 803-500103, fits between handle and latch

Special Features:

Material steel uns t41901 meeting astm a681 type s1

Supplementary Features:

V shaped spring, spring material thickness is 0.625", each leg is 1.255" long, width of spring is 0.175"

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A02900
