**End Application:**

Valve, relief; tarawa class lha

**Special Features:**

Range (psi) is 59-72; set press is 65; blow down press is 51; accum press is 79; capacity usgpm is 100

**Material:**

Stainless steel

**Material Specification:**

Astma313 assn standard single material response

**Style Designator:**

Cylindrical

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A02900
