Inside Diameter:

0.810 inches

Opening Width:

0.047 inches lubrication fittings

End Style:

Machined half loop lubrication fittings

Spring Free Length:

6.000 inches

Coil Quantity:

45

Coil Helix Direction:

Right-hand

Spring Free Outside Diameter:

1.000 inches

Hook Radius:

0.095 inches lubrication fittings

Product Name:

Trash compactor unit

Functional Description:

Used in the opening/closing of lid

Material:

Stainless steel

Style Designator:

Cylindrical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A02900
