End Style:

E3 spring end, plain lubrication fittings

End Application:

Pilot valve assembly

Coil Helix Direction:

Right-hand

Material:

Stainless steel

Material Specification:

Astm-a313/a313m-2003 assn standard single material response

Style Designator:

Cylindrical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A02900
