End Application:

Relief valve

Load Rating:

Between 4988.00 pounds and 5736.00 pounds

Coil Helix Direction:

Left-hand

Special Features:

Manufacturer listed this p/n as d3401ss not simply d3401

Functional Description:

Opens and closes the valve on relief valve assembly, p/n 27cc33hm-z20/s4

Material:

Stainless steel

Style Designator:

Cylindrical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A02900
